signature on the Declaration for completing the filing of the above-identified application.

5. On October 1, 2002, I sent via Federal Express a copy of the application, drawings and declaration all attached together to Ms. Warren. A copy of the cover letter sent with these papers is enclosed. Although Federal Express was asked to obtain a signature for delivery of the package, the signature was waived by recipient upon delivery. A copy of the Federal Express Online Tracking system is also enclosed indicating delivery.

7. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application of any patent issuing thereon.
